Compliance, Due Diligence and Audit

In accordance with the TDUK Responsible Purchasing Policy (RPP) we have taken steps to ensure that all timber and timber products supplied are in accordance with EU Timber Regulations. FSC® (FSC-C015696) and PEFC/16-37-112 standard certification schemes support international conventions to eliminate all forms of forced or compulsory labour, the abolition of child labour and the elimination of discrimination in respect of employment and occupation. We audit our product supply chain to ensure they meet the requirements for the chain of custody management systems on an annual basis
